Re: *Promega Corporation v. Life Technologies Corporation*, Nos. 2013-1011, -1029, -1379

Dear Mr. O'Toole:

I will be arguing the above-mentioned appeal for Plaintiff-Cross Appellant Promega Corporation. I am also counsel for the Petitioner in *Hall v. Florida*, No. 12-10882, which the U.S. Supreme Court has scheduled for argument on Monday, March 3, 2014. I respectfully request that the argument in the *Promega* appeal not be scheduled for that same day and, if possible, be scheduled so as to allow some separation between the two arguments.

Thank you for considering this request.

Respectfully submitted,

/s/ Seth P. Waxman
